How to order your FREE AvePoint Hosted Exchange migration licenses

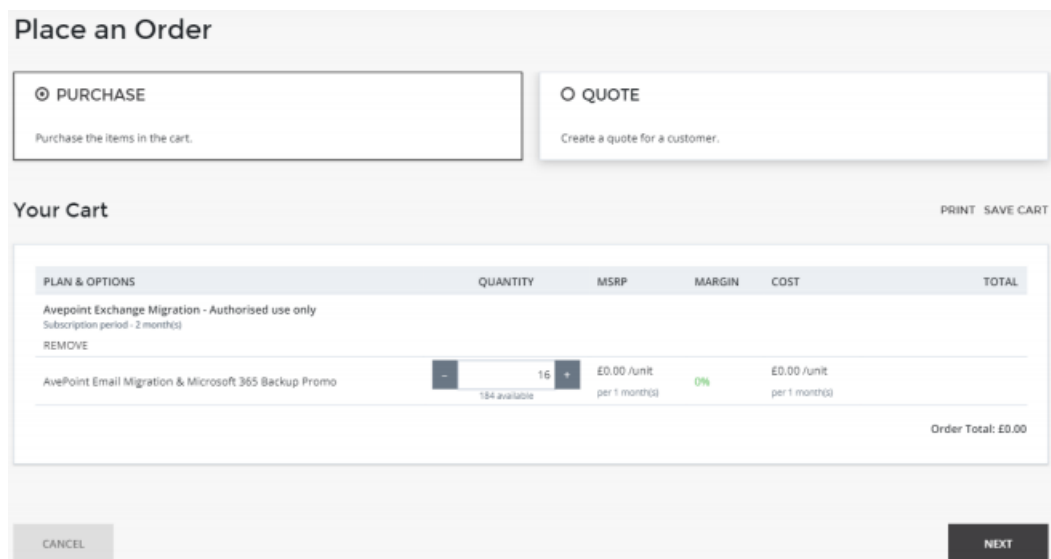

If you are interested in taking advantage of the free AvePoint FLY licences and are provisioning your Microsoft 365 services via Vuzion, please follow this guide:

1. Open a web browser and navigate to <https://partner.vuzion.cloud> - sign in using your Vuzion CORE credentials.
2. Once signed in, click **Marketplace** on the left hand navigation.
3. At the top of the Marketplace homepage, you will see a search bar, type in **AvePoint Exchange Migration**.

This license will allow you to:

- Migrate customer data from Exchange to Microsoft 365 (this licence will be active for one month)
 - Use AvePoint Cloud Backup free for one month
4. Next, add this product to your cart.
 5. Once this is in your cart, click on the cart icon which will take you to the checkout. Here you will be able to alter the amount of licenses required for the customer you are migrating. Once you have done this, select **Next**.

6. On the next screen, you will need to choose the customer you wish to purchase this for. Once selected, click **Next**.
