How to order BitTitan products through Vuzion CORE

If you are interested in purchasing BitTitan licences for your customers, please follow this guide.

1. Open a web browser and navigate to <https://partner.vuzion.cloud> - sign in using your Vuzion CORE credentials.
2. Once signed in, click **Marketplace** on the left hand navigation.
3. You will be able to find the product you are looking for in two ways:
 - Using the product pages on the marketplace homepage, navigate to 'Migrations' and click through to BitTitan;
 - Using the search bar at the top of the page, search for the product you wish to purchase.

4. Next, add the product you wish to purchase to your cart. Once added, click on the shopping cart to review your items before purchasing it. Here you will be able to increase the quantity of licences required.

5. Once you're happy with the amount of licenses, select **Next**. Select an existing customer from your customer list, or create a new customer if this is for a new customer account. Once chosen or created, click **Next**.
6. The page will now show you who will receive the confirmation email (*this is usually the admin contact on the account*), click **Next** to review the order and purchase.
7. Once the order has been placed and has completed, log into the customer's CORE panel, and select BitTitan from the lefthand navigation. Once the subscription status turns green and says 'ready' you will be able to manage their subscription. Click **Manage Subscription**.

8. Once on the page, you will be able to retrieve the coupon code that has generated for that product, and by following the three steps, get you started on using the product.
